1:8 (16 oz. per gallon of water)

Carpet Spotting or traffic lane pre-spray

1:8 (16 oz. per gallon of water)

Dilute with water from the cold tap.

DIRECTIONS FOR USE

EC Tough Job Cleaner may be used as a "Spray and Wipe" cleaner, and for damp mopping, automatic scrubbing, hand scrubbing or through high-pressure washers and steam cleaners. Tough Job Cleaner may also be used in cold tank soaking applications and will not discolor or harm aluminum or other soft metals. When used for carpet spot remover or pre-spray, test carpet for color-fastness before using. Allow 5 to 10 minutes before beginning the shampooing or spot removal process.

This product meets Green Seal's environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.

Tough Job

PRODUCT CODE 120018

PRODUCT PERFORMANCE CHARACTERISTICS

A heavy-duty liquid cleaner that's strong enough for the most difficult cleaning tasks. ENVIRO CARE Tough Job Cleaner will remove carbon and greasy residues from walls, floors, machinery - any washable surface.

ENVIRO CARE Tough Job Cleaner also excels at removing forklift tire marks and is perfect for fire and smoke damage clean up. ENVIRO CARE Tough Job Cleaner may be used as a "spray and wipe" cleaner, and for damp mopping, automatic scrubbing, hand cleaning or through high-pressure washers and steam cleaners. ENVIRO CARE Tough Job Cleaner may be used in cold tank soaking applications and will not discolor or harm aluminum. ENVIRO CARE TOUGH JOB CLEANER IS VERSATILE! It performs at it's peak as a carpet or upholstery pre-spotter, stain remover and traffic lane cleaner. (See label for complete directions).
